

BUNKHOUSE

Based in Poole Harbour, our Bunkhouse is the perfect place to stay with your group!

The Bunkhouse at Lilliput Sea Scouts is a purpose fitted dormitory that sleeps 30 people throughout 3 separate rooms. The largest sleeps 20 people, in 10 bunk beds, another sleeping 6 in 3 bunks and the smallest sleeping 4 in 2 bunks, perfect for the leaders.

The largest room is kitted out with a TV and DVD player, perfect for those rainy days or for the evenings.

A fully equipped kitchen is also for your use. You will have access to the outdoor covered eating area with heating for those cold winter days. When not in use by our

scout group (mainly in the early evening), the main hall is available for use to either sleep more guests, or as a wet weather back up plan.

There are also separate male and female toilets, with metered showers. (takes pound coins.)

Located on the shore of the world-famous Poole Harbour, there is no shortage of things to do! You will have access to a slipway that launches straight into the harbour allowing you to make use of this fantastic area.

For a day out we are the closest scout group in the world to Brownsea Island, the birthplace of the global

scouting movement.

There are numerous places in this part of the world to go hiking, including the Purbecks and Jurassic Coast. A little drive away is the New Forest, an ideal location for a day's hiking, plus you might even see some ponies!

In the summer, there is the beautiful Sandbanks beach, an award-winning beach

or the fun filled Poole Quay, perfect for an ice-cream or a cone of chips.

The Bunkhouse can be found by following the post code below, which will direct you onto to Turks Lane. Follow the lane down and access to Lilliput Sea Scouts can be found by turning right at the end of the lane. Car parking is available on site.
